Beyond Caregivers . . .

Parents As Changemakers

Dear Community Supporter,

Thank you for taking the time to consider being a **Resource Fair Exhibitor** at the 40th **Annual Involved Exceptional Parents (IEP) Day** Conference.

IEP Day is a unique One-Day Conference and Resource Fair for parents, caregivers, service providers, and educators of children and adults with disabilities. Nearly 350+ parents and professionals come together each year to learn, network, and access support and resources. **This is the only conference in San Diego dedicated to families and opportunities for parents to learn, rejuvenate, and connect as a community.**

The 40th Annual IEP Day will be held on **Saturday, April 27, 2024**, at the **DoubleTree by Hilton in Mission Valley** (7450 Hazard Center Drive, San Diego, 92108). This year's conference promises to share an informative and empowering message throughout the day.

**To make this year's conference successful,
we invite you to participate as a Resource Fair Exhibitor.**

Your participation is essential to the success of this annual conference. Our event connects parents to valuable resources, provides learning opportunities, and, most importantly, **offers hope and a vision for a meaningful future for children and adults with disabilities.**

Please complete and return the enclosed Resource Fair Exhibitor Registration Form at your earliest convenience. **Our Resource Fair fills quickly, and there are limited spaces available.**

Please contact Debbie Marshall at (619) 913-8232 or email Debbie.Marshall@scdd.ca.gov if you have any questions. Visit iepd.org for additional information.

Sincerely,

Joyce Clark
